and fosters ties between the
University of California, Riverside
and the Inland community***

Find us on 

A History of Connecting the Community to UCR!

Now entering our 71st year, the Citizens University Committee (CUC) is one of the best ways for you to tap into UCR's vibrant energy! We host dynamic monthly breakfast meetings which feature the latest cutting-edge research and ideas from UCR faculty, staff, and students. The CUC provides a unique and fun connection between the campus and the community. Our breakfasts feature updates from elected officials, as well as campus and community leaders, and are a great opportunity to network and meet new people. Take a look at this year's speaker lineup on this brochure's reverse side and mark your calendars!

As the organization that fought to bring a UC campus to Riverside seven decades ago, the CUC continues to advocate for UCR, most recently in the effort to fund the UCR School of Medicine. We also support dedicated UCR students from this region through our scholarships, including the Justice John G. Gabbert/CUC Endowed Scholarship Fund.

Your membership fee and participation help keep CUC continuing year after year. Please consider becoming a member and joining us at our monthly breakfasts. **Starting this year, you can now join the CUC or register for the breakfasts online by credit card at http://commerce.cashnet.com/UCR_SEAT.**

Thank you very much for your continued support!
