# The Citizens University Committee Fall Kickoff and Scholarship Fundraiser is Always one of the Highlights of the Year!

This year marks the 73rd year of the CUC, which was founded by John Gabbert and other community leaders to bring a UC campus to Riverside.

Join us on October 5<sup>th</sup> as we get together for a “virtual” evening of fun, friends, and fundraising to honor Mayor Rusty Bailey and some of UCR’s Heroes of the COVID-19 pandemic. The program will include a welcome from Chancellor Wilcox, as well as a transition from the CUC’s outgoing chair, Karl Leonard Hicks, to our new chair, Laura Roughton.

All event proceeds will support the John Gabbert/CUC Endowed Scholarship Fund, which provides support to UCR students from our region with a record of public and community service. **To register, visit: <https://myadv.ucr.edu/forms/CUC2020>**

## ABOUT OUR HONOREES:

**Mayor Rusty Bailey:** Now in his final months as Mayor after serving two terms, Mayor Bailey has been a steadfast champion of Riverside’s institutions of higher learning.

Bailey actively promotes Riverside as a college town through efforts such as the Amazing College Race, The Long Night of Arts and Innovation, and Mayor’s College Forum. He played an active role in the successful recruitment and relocation of CARB to Riverside in partnership with UCR. He fosters cooperation between Riverside’s K-12 and Higher Education Institutions with his Mayor’s Education Roundtable.

**UCR’s Heroes of the COVID-19 Pandemic:** A lot had to happen in March for UCR to operate under public health guidelines. The CUC will recognize individuals that went above and beyond to make the transition a healthy and seamless one.

One such story is the Costume Shop in UCR’s Theater Department. With PPE’s (personal protective equipment) in short supply nationwide, these dedicated employees took it upon themselves to produce hundreds of masks to keep UCR police and other essential UCR staff who were required to remain on campus safe.
